

# The Caring Cupboard

**A program to help kids get the things they need to be successful in school  
Coordinated through the Ellensburg Education Foundation**

## **Program purpose**

There are basic items that every student requires to be successful in school. Emergency needs may include food, clothing, supplies, fees and personal items. These are items that can't always be provided by the family at the time they are needed. Through communication with ESD Principals, Counselors and Nurses, **The Caring Cupboard** will provide emergency items needed as quickly as possible.

**The Caring Cupboard** will be supported through tax deductible financial donations to the ESDEF. There will also be an attempt to build partnerships with area businesses to provide discounted services and supplies

All requests will come from the building Principals at Ellensburg High School, Morgan Middle School, Valley View Elementary, Lincoln Elementary and Mt. Stuart Elementary

Requests will be sent directly to Mary Gordon who will coordinate the purchase and handle reimbursement from the Foundation

## **How Can You Help?**

- Be a financial contributor with a tax deductible monthly or yearly donation (see below)
- Offer to be an emergency purchase resource and contact for Mary (509-899-0868, marygordon@elltel.net)
- Help bring a business on board for discounted services and supplies
- Communicate with a building Principal concerning an emergency need you see in our community

-----  
(Please detach and include with your donation)

**I would like to help support **The Caring Cupboard****

**One time donation** \$ \_\_\_\_\_ (Would you like a yearly reminder? Y N)

**Monthly donation** \$ \_\_\_\_\_ (To be sent on the \_\_\_\_\_ of each month)

**Name** \_\_\_\_\_ **Address** \_\_\_\_\_
