

# *Ruth Harrington Luncheon Scholarship*

\$ 900

**Scholarships for EHS Students attending Central Washington University**

**Ruth Harrington:** She never sought public recognition. All Ruth Harrington wanted to do when she started organizing luncheons to raise money for scholarships at CWU was to build better relationships within the community while promoting a worthy cause. Forty years later (2013 Person of the Year), she is regarded as an influential, albeit unassuming, force within the community she loves – and not just because of the scholarship luncheon program that has now raised over \$900,000.
