

## **STUDY CLUB SCHOLARSHIP FOR WOMEN**

Study Club was founded in Kittitas County in 1927. The club serves to promote the intellectual, cultural, and social growth of its members. Meetings occur on a regular basis in members' homes. Meetings include programs and discussions of various topics of current interest.

Each year Study Club grants one \$1,000 scholarship to an outstanding female high school student to be used to further her education at the school of her choice, in the field of her choice. Application for the scholarship is made by submitting the following:

- \*Unified Scholarship Application.
- \*An essay of 300 words maximum on a topic to be specified.
- \*A copy of the university, community college or trade school acceptance letter.
