

The Ellensburg School District strives to provide our children with the tools necessary to have a head start on the road to success. The Ellensburg School District Education Foundation steps in when possible to provide additional funding in support of the District's educational goals.

To raise funds for ESDEF we are selling lettered tiles to be installed on a Legacy Wall in the commons area of Ellensburg High School. This project is the first of what we hope will be many opportunities for the community to show its support for our kids through participation in ESDEF projects.

Your name, personal or business information can be lettered on one of the tiles on the Legacy Wall. Tiles make great gifts for birthdays, holidays, graduation, Mother's Day and Father's Day, as well as honorariums and memorials.

Each 6" x 6" tile can accommodate five lines of text with up to sixteen characters per line. Standard tiles with up to five lines of text are \$100 each. A tile with a bulldog and two lines of text will be \$110. If you're adding a bulldog, we will contact you to determine your request for placement of the remaining two lines of text.

For more information please contact: ellensburgedfoundation@gmail.com
or visit our website: www.esdef.net

Please complete this order form:

Name _____

Day Phone _____

Eve. Phone _____

Address _____

_____ line 5

The Ellensburg School District Education Foundation Provides:

- A tax-deductible way for individuals, groups, and businesses to enhance public school programs, projects, and scholarship funds.
- A way for individuals and organizations to sponsor projects they believe are particularly worthwhile.
- A way for community members to develop closer relationships with the schools, in order to help assess needs and set priorities.
- A way to access money from national foundations that grant only to other foundations.
- A way to encourage the business community to be more involved in our schools.
- A way to evaluate new ideas and learn from the experience.
- A way to help prepare our children for the challenges of the 21st century.

The **Ellensburg School District Education Foundation** seeks to accomplish its goals by enlisting all sectors of society. Partnerships between the business and education communities are an integral part of this effort, as are close bonds with service clubs, religious/ fraternal organizations, government agencies, social and health service providers, and citizens of all ages.
