

# Caring Cupboard

A program to help kids get the things they need to be successful in school  
Coordinated through the Ellensburg School District Education Foundation

## Program purpose

There are basic items that every student requires to be successful in school. Emergency needs may include food, clothing, eyeglasses, supplies, fees and personal items. These are items that can't always be provided by the family at the time they are needed. Through communication with ESD Principals, Counselors and Nurses, **Caring Cupboard** will provide emergency items needed as quickly as possible.

**Caring Cupboard** is supported through financial donations to the ESDEF. We are also developing partnerships with area businesses to provide discounted services and supplies.

All requests come from building Principals and Counselors at Ellensburg High School, Morgan Middle School, Valley View Elementary, Lincoln Elementary, Mt. Stuart Elementary and the Developmental Pre School.

Requests are sent directly to ESDEF Board Member Mary Gordon who coordinates purchase and delivery.

## How Can You Help?

- Be a financial contributor with a one time, monthly or yearly donation (see below)
- Offer to be an emergency purchase resource and contact for Mary (contact Mary at 509-899-0868, marygordon@elltel.net)
- Help bring a business on board for discounted services and supplies
- Communicate with a building Principal or Counselor concerning an emergency need you see in our Ellensburg School District community
